

# Learning Skills Assessment

## ‘Kia Kaha’ - Room 17

### Term 1 2010

#### Learning Intention:

In the first unit of learning, Kia Kaha our learning was centered around developing a classroom behaviour plan. Our learning development centered around developing our Social Skills when learning with others.

#### 1. Learning Skills (Unit 1) - Kia Kaha

##### Social Skills - Self Reflection

- (a) I am not yet able to interact positively and fairly with my peers and classroom adults. I do understand my right to be treated with respect but I will not always take responsibility for respecting the rights of others. I am aware of the need to be more sensitive to how a class member is feeling in a given situation, in order to be able to give appropriate support.
- (b) I mostly interact positively and fairly with my peers and classroom adults. I understand my right to be treated with respect and will generally take responsibility for respecting the rights of others. I am aware of the need to be sensitive to how a class member is feeling in a given situation and will occasionally offer appropriate support.
- (c) I consistently interact effectively with my peers and classroom adults. I do understand my right to be treated with respect and will take responsibility for respecting the rights of others. I encourage my classmates to relate in the same way. I am sensitive to how a class member is feeling in a given situation and will offer appropriate support.
