

## The Missing Chapter

I was walking Jaimee home one night after our walk down the valley and i turn to give her a good night kiss. And then she told me “You said that you weren’t gunner fall in love with me”. “Im sorry I was just kissing you”. “Well dont ohk Im sick and I told you not to fall in love with me and you promised”. I then released that Jaimee was really sick and I really needed to just accept that I needed to only be her friend. I asked how sick she was but Jaimee didn’t answer and she just went to the door and then just she good night Landon. I walked home and went to bed. That night I was thinking about what Jaimee had said about her being sick. I went to school and saw Jaimee I said Hello to her but she didn’t reply. I followed her to in the hall and I asked her how sick she really was. “Landon, I have Leukemia and I am going to die this week is my last week of school.
